

DATA PROCESSING ADDENDUM

(Revision November 2022)

This Data Processing Addendum, including its Schedules, (“DPA”) forms part of the Main Services Agreement or other written or electronic agreement between KBC and Customer for the purchase of online services (including associated KBC offline or mobile components) from KBC (identified either as “Services” or otherwise in the applicable agreement, and hereinafter defined as “Services”) (the “Agreement”) to reflect the Parties’ agreement with regard to the Processing of Personal Data.

Customer enters into this DPA on behalf of itself and, to the extent required under applicable Data Protection Laws and Regulations, in the name and on behalf of its Authorized Affiliates. For the purposes of this DPA only, and except where indicated otherwise, the term “Customer” shall include Customer and Authorized Affiliates. All capitalized terms not defined herein shall have the meaning set forth in the Agreement.

In the course of providing the Services to Customer pursuant to the Agreement, KBC may Process Personal Data on behalf of Customer and the Parties agree to comply with the following provisions with respect to any Personal Data, each acting reasonably and in good faith.

HOW TO EXECUTE THIS DPA:

1. This DPA consists of two parts: the main body of the DPA, and Schedules 1 and 2.
2. This DPA has been pre-signed on behalf of KBC. Schedule 2, section 1 has been pre-signed by KBC Inc., Inc. as the data importer. Please note that the contracting entity under the Agreement may be a different entity to KBC Inc., Inc.
3. To complete this DPA, Customer must:
 - a. Complete the information in the signature box and sign on page 8.
 - b. Send the signed DPA to KBC by email to dataprocessingaddendum@KBC Inc..com indicating, if applicable, the Customer’s Account Number (as set out on the applicable KBC Order Form or invoice).

Except as otherwise expressly provided in the Agreement, this DPA will become legally binding upon receipt by KBC of the validly completed DPA at this email address.

For the avoidance of doubt, signature of the DPA on page 8 shall be deemed to constitute signature and acceptance of the Standard Contractual Clauses, including Schedule 2. Where Customer wishes to separately execute the Standard Contractual Clauses and its Appendix, Customer should also complete the information as the data exporter and sign on page 14 (Schedule 2).

HOW THIS DPA APPLIES

If the Customer entity signing this DPA is a party to the Agreement, this DPA is an addendum to and forms part of the Agreement. In such case, the KBC entity that is party to the Agreement is party to this DPA.

If the Customer entity signing this DPA has executed an Order Form with KBC or its Affiliate pursuant to the Agreement, but is not itself a party to the Agreement, this DPA is an addendum to that Order Form and applicable renewal Order Form(s), and the KBC entity that is party to such Order Form is party to this DPA. For the purposes of this DPA, any reference to Order Form herein shall include “Ordering Document” (as defined in the Agreement).

If the Customer entity signing this DPA is neither a party to an Order Form nor the Agreement, this DPA is not valid and is not legally binding. Such entity should request that the Customer entity who is a party to the Agreement executes this DPA.

If the Customer entity signing the DPA is not a party to an Order Form nor an Agreement directly with KBC, but is instead a customer indirectly via an authorized reseller of KBC Inc. services, this DPA is not valid and is not legally binding. Such entity should contact the authorized reseller to discuss whether any amendment to its agreement with that reseller may be required.

For the avoidance of doubt, Customer’s instructions for the Processing of Personal Data shall comply with Data Protection Laws and Regulations. Customer shall have sole responsibility for the accuracy, quality, and legality of Personal Data and the means by which Customer acquired Personal Data. Customer specifically acknowledges and agrees that its use of the Services will not violate the rights of any Data Subject, including those that have opted-out from sales or other disclosures of Personal Data, to the extent applicable under Data Protection Laws and Regulations.
- 2.3. 3. RIGHTS OF DATA SUBJECTS

KBC shall, to the extent legally permitted, promptly notify Customer of any complaint, dispute or request it has received from a Data Subject such as a Data Subject’s right of access, right to rectification, restriction of Processing, erasure (“right to be forgotten”), data portability, object to the Processing, or its right not to be subject to an automated individual decision making, each such request being a “Data Subject Request”. KBC shall not respond to a Data Subject Request itself, except that Customer authorizes KBC to redirect the Data Subject Request as necessary to allow Customer to respond directly. Taking into account the nature of the Processing, KBC shall assist Customer by appropriate technical and organizational measures, insofar as this is possible, for the fulfillment of Customer’s obligation to respond to a Data Subject Request under Data Protection Laws and Regulations. In addition, to the extent Customer, in its use of the Services, does not have the ability to address a Data Subject Request, KBC shall upon Customer’s request provide commercially reasonable efforts to assist Customer in responding to such Data Subject Request, to the extent KBC is legally permitted to do so and the

response to such Data Subject Request is required under Data Protection Laws and Regulations. To the extent legally permitted, Customer shall be responsible for any costs arising from KBC's provision of such assistance.

4. KBC PERSONNEL

- 4.1. **Confidentiality.** KBC shall ensure that its personnel engaged in the Processing of Personal Data are informed of the confidential nature of the Personal Data, have received appropriate training on their responsibilities and have executed written confidentiality agreements. KBC or an KBC Affiliate has entered into a written agreement with each Sub-processor containing, in substance, data protection obligations no less protective than those in the Agreement with respect to the protection of Customer Data to the extent applicable to the nature of the Services provided by such Sub-processor.
- 5.2. **List of Current Sub-processors and Notification of New Sub-processors.** The current list of Sub-processors engaged in Processing Personal Data for the performance of each applicable Service, including a description of their processing activities and countries of location, is listed under the Infrastructure and Sub-processor Documentation which can be found on KBC's Trust and Compliance webpage at <https://www.kbcinc.cloud/agreements/> ("Infrastructure and Sub-processor Documentation", also accessible via <https://www.kbcinc.cloud/agreements/> under the "Trust and Compliance Documentation" link). Customer hereby consents to these Sub-processors, their locations and processing activities as it pertains to their Personal Data. The Infrastructure and Sub-processor Documentation contains a mechanism to subscribe to notifications of new Sub-processors for each applicable Service, and if Customer subscribes, KBC shall provide notification of a new Sub-processor(s) before authorizing any new Sub-processor(s) to Process Personal Data in connection with the provision of the applicable Services.
- 5.3. **Objection Right for New Sub-processors.** Customer may object to KBC's use of a new Sub-processor by notifying KBC promptly in writing within thirty (30) days of receipt of KBC's notice in accordance with the mechanism set out in section 5.2. If Customer objects to a new Sub-processor as permitted in the preceding sentence, KBC will use reasonable efforts to make available to Customer a change in the Services or recommend a commercially reasonable change to Customer's configuration or use of the Services to avoid Processing of Personal Data by the objected-to new Sub-processor without unreasonably burdening Customer. If KBC is unable to make available such change within a reasonable period of time, which shall not exceed sixty (60) days, Customer may terminate the applicable Order Form(s) with respect only to those Services which cannot be provided by KBC without the use of the objected-to new Sub-processor by providing written notice to KBC. KBC will refund Customer any prepaid fees covering the remainder of the term of such Order Form(s) following the effective date of termination with respect to such terminated Services, without imposing a penalty for such termination on Customer.
- 5.4. **Liability.** KBC shall be liable for the acts and omissions of its Sub-processors to the same extent KBC would be liable if performing the services of each Sub-processor directly under the terms of this DPA, unless otherwise set forth in the Agreement.

6. SECURITY

- 6.1. **Controls for the Protection of Customer Data.** KBC shall maintain appropriate technical and organizational measures for protection of the security (including protection against unauthorized or unlawful Processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to, Customer Data), confidentiality and integrity of Customer Data, as set forth in the Security, Privacy and Architecture Documentation. KBC regularly monitors compliance with these measures. KBC will not materially decrease the overall security of the Services during a subscription term.
- 6.2. **Audit.** KBC shall maintain an audit program to help ensure compliance with the obligations set out in this DPA and shall make available to Customer information to demonstrate compliance with the obligations set out in this DPA as set forth in this section 6.2.

6.2.1. Third-Party Certifications and Audits. KBC has obtained the third-party certifications and audits set forth in the Security, Privacy and Architecture Documentation for each applicable Service. Upon Customer's written request at reasonable intervals, and subject to the confidentiality obligations set forth in the Agreement, KBC shall make available to Customer (or Customer's Third-Party Auditor - as defined below in section 6.2.4) information regarding KBC's compliance with the obligations set forth in this DPA in the form of a copy of KBC's then most recent third-party audits or certifications set forth in the Security, Privacy and Architecture Documentation. Such third-party audits or certifications may also be shared with Customer's competent supervisory authority on its request. Where KBC has obtained ISO 27001 certifications and SSAE 18 Service Organization Control (SOC) 2 reports for a particular Service as described in the Documentation, KBC agrees to maintain these certifications or standards, or appropriate and comparable successors thereof, for the duration of the Agreement. Upon request, KBC shall also provide a requesting Customer with a report and/or confirmation of KBC's audits of third-party Sub-processors' compliance with the data protection controls set forth in this DPA and/or a report of third-party auditors' audits of third party Sub-processors that have been provided by those third-party Sub-processors to KBC, to the extent such reports or evidence may be shared with Customer ("Third-party Sub-processor Audit Reports"). Customer acknowledges that (i) Third-party Sub-processor Audit Reports shall be considered Confidential Information as well as confidential information of the third-party Sub-processor and (ii) certain third-party Sub-processors to KBC may require Customer to execute a non-disclosure agreement with them in order to view a Third-party Sub-processor Audit Report.

6.2.2. On-Site Audit. Customer may contact KBC to request an on-site audit of KBC's Processing activities covered by this DPA ("On-Site Audit"). An On-Site Audit may be conducted by Customer either itself or through a Third-Party Auditor (as defined below in section 6.2.4) selected by Customer when:

- (i) the information available pursuant to section "Third-Party Certifications and Audits" is not sufficient to demonstrate compliance with the obligations set out in this DPA and its Schedules;
- (ii) Customer has received a notice from KBC of a Customer Data Incident; or
- (iii) such an audit is required by Data Protection Laws and Regulations or by Customer's competent supervisory authority.

Any On-Site Audits will be limited to Customer Data Processing and storage facilities operated by KBC or any of KBC's Affiliates. Customer acknowledges that KBC operates a multi-tenant cloud environment. Accordingly, KBC shall have the right to reasonably adapt the scope of any On-Site Audit to avoid or mitigate risks with respect to, and including, service levels, availability, and confidentiality of other KBC customers' information.

6.2.3. Reasonable Exercise of Rights. An On-Site Audit shall be conducted by Customer or its Third-Party Auditor:

- (i) acting reasonably, in good faith, and in a proportional manner, taking into account the nature and complexity of the Services used by Customer;
- (ii) up to one time per year with at least three weeks' advance written notice. If an emergency justifies a shorter notice period, KBC will use good faith efforts to accommodate the On-Site Audit request; and
- (iii) during KBC's normal business hours, under reasonable duration and shall not unreasonably interfere with KBC's day-to-day operations.

Before any On-Site Audit commences, Customer and KBC shall mutually agree upon the scope, timing, and duration of the audit and the reimbursement rate for which Customer shall be responsible. All reimbursement rates shall be reasonable, taking into account the resources expended by or on behalf of KBC.

6.2.4. Third-Party Auditor. A Third-Party Auditor means a third-party independent contractor that is not a competitor of KBC. An On-Site Audit can be conducted through a Third Party Auditor if:

- (i) prior to the On-Site Audit, the Third-Party Auditor enters into a non-disclosure agreement containing confidentiality provisions no less protective than those set forth in the Agreement to protect KBC's proprietary information; and (ii) the costs of the Third-Party Auditor are at Customer's expense.

6.2.5. Findings. Customer must promptly provide KBC with information regarding any non-compliance discovered during the course of an On-Site Audit.

6.3. Data Protection Impact Assessment. Upon Customer's request, KBC shall provide Customer with reasonable cooperation and assistance needed to fulfill Customer's obligation under Data Protection Laws and Regulations to carry out a data protection impact assessment related to Customer's use of the Services, to the extent Customer does not otherwise have access to the relevant information, and to the extent such information is available to KBC.

7. CUSTOMER DATA INCIDENT MANAGEMENT AND NOTIFICATION

KBC maintains security incident management policies and procedures specified in the Security, Privacy and Architecture Documentation and shall notify Customer without undue delay after becoming aware of the accidental or unlawful

destruction, loss, alteration, unauthorized disclosure of, or access to Customer Data, including Personal Data, transmitted, stored or otherwise Processed by KBC or its Sub-processors of which KBC becomes aware (a “Customer Data Incident”).

KBC Inc. Data Processing Addendum Page 5 of 16 September 2022 online

KBC shall make reasonable efforts to identify the cause of such Customer Data Incident and take such steps as KBC deems necessary and reasonable to remediate the cause of such a Customer Data Incident to the extent the remediation is within KBC’s reasonable control. The obligations herein shall not apply to incidents that are caused by Customer or Customer’s Users.

8. GOVERNMENT ACCESS REQUESTS

8.1 KBC requirements. In its role as a Processor, KBC shall maintain appropriate measures to protect Personal Data in accordance with the requirements of Data Protection Laws and Regulations, including by implementing appropriate technical and organizational safeguards to protect Personal Data against any interference that goes beyond what is necessary in a democratic society to safeguard national security, defense and public security. If KBC receives a legally binding request to access Personal Data from a Public Authority, KBC shall, unless otherwise legally prohibited, promptly notify Customer including a summary of the nature of the request. To the extent KBC is prohibited by law from providing such notification, KBC shall use commercially reasonable efforts to obtain a waiver of the prohibition to enable KBC to communicate as much information as possible, as soon as possible. Further, KBC shall challenge the request if, after careful assessment, it concludes that there are reasonable grounds to consider that the request is unlawful. KBC shall pursue possibilities of appeal. When challenging a request, KBC shall seek interim measures with a view to suspending the effects of the request until the competent judicial authority has decided on its merits. It shall not disclose the Personal Data requested until required to do so under the applicable procedural rules. KBC agrees it will provide the minimum amount of information permissible when responding to a request for disclosure, based on a reasonable interpretation of the request. KBC shall promptly notify Customer if KBC becomes aware of any direct access by a Public Authority to Personal Data and provide information available to KBC in this respect, to the extent permitted by law. For the avoidance of doubt, this DPA shall not require KBC to pursue action or inaction that could result in civil or criminal penalty for KBC such as contempt of court.

8.2 Sub-processors requirements. KBC shall ensure that Sub-processors involved in the Processing of Personal Data are subject to the relevant commitments regarding Government Access Requests in the Standard Contractual Clauses and KBC Inc. Processor BCR.

9. RETURN AND DELETION OF CUSTOMER DATA

KBC shall return Customer Data to Customer and, to the extent allowed by applicable law, delete Customer Data in accordance with the procedures and timeframes specified in the Security, Privacy and Architecture Documentation. Until Customer Data is deleted or returned, KBC shall continue to comply with this DPA and its Schedules.

10. AUTHORIZED AFFILIATES

10.1. Contractual Relationship. The parties acknowledge and agree that, by executing the Agreement, Customer enters into this DPA on behalf of itself and, as applicable, in the name and on behalf of its Authorized Affiliates, thereby establishing a separate DPA between KBC and each such Authorized Affiliate subject to the provisions of the Agreement and this section 10 and section 11. Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the Agreement. For the avoidance of doubt, an Authorized Affiliate is not and does not become a party to the Agreement, and is a party only to this DPA. All access to and use of the Services and Content by Authorized Affiliates must comply with the terms and conditions of the Agreement and any violation of the terms and conditions of the Agreement by an Authorized Affiliate shall be deemed a violation by Customer.

10.2. Communication. The Customer that is the contracting party to the Agreement shall remain responsible for coordinating all communication with KBC under this DPA and be entitled to make and receive any communication in relation to this DPA on behalf of its Authorized Affiliates.

10.3. Rights of Authorized Affiliates. Where an Authorized Affiliate becomes a party to this DPA with KBC, it shall to the extent required under applicable Data Protection Laws and Regulations be entitled to exercise the rights and seek remedies under this DPA, subject to the following:

10.3.1 Except where applicable Data Protection Laws and Regulations require the Authorized Affiliate to exercise a right or seek any remedy under this DPA against KBC directly by itself, the parties agree that (i) solely the Customer that is the contracting party to the Agreement shall exercise any such right or seek any such remedy on behalf of the Authorized Affiliate, and (ii) the Customer that is the contracting party to the Agreement shall exercise any such rights under this DPA, not separately for each Authorized Affiliate individually, but in a combined manner for itself and all of its Authorized Affiliates together (as set forth, for example, in section 10.3.2, below).

10.3.2 The parties agree that the Customer that is the contracting party to the Agreement shall, when carrying out an On Site Audit of the procedures relevant to the protection of Personal Data, take all reasonable measures to limit any impact on KBC and its Sub-Processors by combining, to the extent reasonably possible, several audit requests carried out on behalf of itself and all of its Authorized Affiliates in one single audit.

11. LIMITATION OF LIABILITY

Each party's and all of its Affiliates' liability, taken together in the aggregate, arising out of or related to this DPA, and all DPAs between Authorized Affiliates and KBC, whether in contract, tort or under any other theory of liability, is subject to the 'Limitation of Liability' section of the Agreement, and any reference in such section to the liability of a party means the aggregate liability of that party and all of its Affiliates under the Agreement and all DPAs together.

For the avoidance of doubt, KBC's and its Affiliates' total liability for all claims from Customer and all of its Authorized Affiliates arising out of or related to the Agreement and all DPAs shall apply in the aggregate for all claims under both the Agreement and all DPAs established under the Agreement, including by Customer and all Authorized Affiliates, and, in particular, shall not be understood to apply individually and severally to Customer and/or to any Authorized Affiliate that is a contractual party to any such DPA.

12. EUROPE SPECIFIC PROVISIONS

12.1. Definitions. For the purposes of this section 12 and Schedule 1 these terms shall be defined as follows:

"EU C-to-P Transfer Clauses" means Standard Contractual Clauses sections I, II, III and IV (as applicable) to the extent they reference Module Two (Controller-to-Processor).

"EU P-to-P Transfer Clauses" means Standard Contractual Clauses sections I, II, III and IV (as applicable) to the extent they reference Module Three (Processor-to-Processor).

12.2. GDPR. KBC will Process Personal Data in accordance with the GDPR requirements directly applicable to KBC's provision of its Services.

12.3. Customer Instructions. KBC shall inform Customer immediately (i) if, in its opinion, an instruction from Customer constitutes a breach of the GDPR and/or (ii) if KBC is unable to follow Customer's instructions for the Processing of Personal Data.

12.4. Transfer mechanisms for data transfers. If, in the performance of the Services, Personal Data that is subject to the GDPR or any other law relating to the protection or privacy of individuals that applies in Europe is transferred out of Europe to countries which do not ensure an adequate level of data protection within the meaning of the Data Protection Laws and Regulations of Europe, the transfer mechanisms listed below shall apply to such transfers and can be directly enforced by the Parties to the extent such transfers are subject to the Data Protection Laws and Regulations of Europe:

- **The KBC Inc. Processor BCR**, which shall apply to the Services listed in the Appendix to the KBC Inc. Processor BCR (the "BCR Services"), subject to the additional terms in section 1 of Schedule 1;
- **The EU C-to-P Transfer Clauses.** Where Customer and/or its Authorized Affiliate is a Controller and a data exporter of Personal Data and KBC is a Processor and data importer in respect of that Personal Data, then the Parties shall comply with the EU C-to-P Transfer Clauses, subject to the additional terms in section 2 of Schedule 1; and/or
- **The EU P-to-P Transfer Clauses.** Where Customer and/or its Authorized Affiliate is a Processor acting on behalf of a Controller and a data exporter of Personal Data and KBC is a Processor and data importer in respect of that Personal Data, the Parties shall comply with the terms of the EU P-to-P Transfer Clauses, subject to the additional terms in sections 2 and 3 of Schedule 1.

12.5. Impact of local laws. As of the Effective Date, KBC has no reason to believe that the laws and practices in any third country of destination applicable to its Processing of the Personal Data as set forth in the Infrastructure and Sub-processors Documentation, including any requirements to disclose Personal Data or measures authorising access by a Public Authority, prevent KBC from fulfilling its obligations under this DPA. If KBC reasonably believes that any existing or future enacted or enforceable laws and practices in the third country of destination applicable to its Processing of the Personal Data ("Local Laws") prevent it from fulfilling its obligations under this DPA, it shall promptly notify Customer. In such a case, KBC shall use reasonable efforts to make available to the affected Customer a change in the Services or recommend a commercially reasonable change to Customer's configuration or use of the Services to facilitate compliance with the Local Laws without unreasonably burdening Customer. If KBC is unable to make available such change promptly, Customer may terminate the applicable Order Form(s) and suspend the transfer of Personal Data in respect only to those Services which cannot be provided by KBC in accordance with the Local Laws by providing written notice in accordance with the "Notices" section of the Agreement. Customer shall receive a refund of any prepaid fees for the period following the effective date of termination for such terminated Services.

13. PARTIES TO THIS DPA

The section “HOW THIS DPA APPLIES” specifies which KBC entity is party to this DPA. Where the Standard Contractual Clauses apply, KBC Inc., Inc. is the signatory to the Standard Contractual Clauses. Where the KBC entity that is a party to this DPA is not KBC Inc., that KBC entity is carrying out the obligations of the data importer on behalf of KBC Inc., Inc. Notwithstanding the signatures below of any other KBC Inc. entity, such other KBC Inc. entities are not a party to this DPA or the Standard Contractual Clauses.

14. LEGAL EFFECT

This DPA shall only become legally binding between Customer and KBC (and KBC Inc., Inc., if different) when the formalities steps set out in the section “HOW TO EXECUTE THIS DPA” above have been fully completed.
